~Statement of Faith~

There is one God, who is infinitely perfect, existing eternally in three persons: Father, Son, and Holy Spirit. Jesus Christ is true God and true man. He was conceived by the Holy Spirit and born of the Virgin Mary. He died upon the cross, the just for the unjust, as a substitutionary sacrifice and all who believe in Him are justified on the ground of his shed blood. He arose from the dead according to the scriptures. He is now seated at the right hand of the majesty high as our Great High Priest.

The Holy Spirit is a divine person, sent to indwell, guide, teach, and empower the believer, and convict the world of sin, of righteousness, and of judgment. The Old and New Testaments, inerrant as originally given, were verbally inspired by God and are a complete revelation of His will for the salvation of humankind. They constitute the divine and only rule of Christian faith and practice.

Man was originally created in the image and likeness of God. He fell through disobedience, incurring thereby both physical and spiritual death. All men were born with a sinful nature, are separated from the life of God, and can be saved only through the atoning work of the Lord Jesus Christ. Salvation has been provided through Jesus Christ for all men. Those who repent and believe in Him are born again of the Holy Spirit, receive the gift of eternal life, and become children of God. The Church consists of: (1) those who believe on the Lord Jesus Christ, (2) those who are redeemed through His blood and (3) those who are born again of the Holy Spirit. Christ is the head of the body. The church, which has been commissioned by Him, is to go into the entire world as a witness, preaching the gospel to all nations.

The local church is a body of believers in Christ who are joined together for the worship of God, for edification through the Word of God, for prayer, fellowship, the proclamation of the gospel, and observance of the ordinances of baptism and the Lord’s Supper.

There shall be a bodily resurrection of the just and of the unjust; for the former, a resurrection unto life; for the latter, and a resurrection unto judgment.

The second coming of the Lord Jesus Christ is imminent and will be personal and visible. This is the believers’ hope and is of vital truth. This truth is an incentive to holy living and faithful service.
~About LCBC~

Lake Charles Bible College....

Is the answer to earning your degree at home! Your degree program can be earned from the comfort of your home, church office, or location of your choice. LCBC offer seminars occasionally in different locations for accelerating the degree process. We have a unique and innovative Christian college.

Since 1993 we have been recognized by the Louisiana Board of Regents. We have our 501-C3 status. Students from all walks of life and backgrounds have prepared for greater Christian ministry at our school. Our center is Jesus Christ and the Bible is our first and foremost book. We utilize hundreds of other books that help us understand the Bible and ministry at a deeper level. The books you will read throughout your degree program were written by authors who have proven success in ministry or Christian scholastic achievements.

We are a growing school. Students from twenty-four states in the United States including Mexico and the Virgin Islands have obtained degrees through LCBC. We now have students in Japan and Canada. Here at LCBC we realize that many students are not interested in the pursuit of a degree, but are interested in obtaining 21st Century and cutting edge Church Growth Strategies and Personal Development for ministry. A Certificate of Participation Program includes a “Personal Empowerment Track” and “Ministry Skills Track” with conferences and seminars to meet the needs of those people who are perusing personal goals.

LCBC Historical Sketch....

Lake Charles Bible College opened its doors in the fall of 1993 after the relocation of Louisiana Christian University in Sunset, Louisiana. Along with the Honorable Preston Miller, Dr. Don Johnson had long believed that there was a need in Southwest Louisiana area for practical religious teaching and hands-on training for Christian people. Over the years we have found that most people who enroll in Lake Charles Bible College are adults studying for a second vocation in God’s Kingdom.

It was the goal of Dr. Johnson and the entire teaching staff to provide affordable religious training to men and women who are older and perhaps have families and jobs that could not leave. There were people who had a desire to preach and teach, but because of life commitments, students were unable to leave their daily routines to attend a traditional classroom setting. LCBC offers an alternative in Christian education at an affordable price.
Over the past nineteen years, through their distance learning program, LCBC has reached many people living in various states spread across the United States. Lake Charles Bible College has given birth to five (5) other Bible Colleges, which are founded and administered by the graduates of LCBC. On August 8, 2008 Dr. Jimmy R. Stevens was named as the second President of LCBC. As a former instructor and graduate, Dr. Stevens has the vision of reaching into all 50 states with the Distance Learning Program and extending beyond Mexico and the Virgin Islands. LCBC will offer cutting edge conferences and seminar by exposing LCBC students to some of the greatest Christian educators and world-class leaders in America. It is the desire of LCBC to train/educate men and women, who plant new churches with a heart for ministry, evangelism and missions.

LCBC has moved its campus to the New Covenant Faith Baptist Church in Lake Charles, Louisiana with the hope of expanding its buildings and facilities.

NOTICE OF NONDISCRIMINATORY POLICY AS TO STUDENTS

Tuition Plan

Tuition payment plan is the interest free, debt free way to spread tuition payments over a number of months. The tuition pay plan is not a loan, so there are no interest payments. The plan allows you to break down your education expenses into easy to manage installments, rather than one lump sum payment. You still owe the same amount of tuition but you now have more time to pay and your payments are smaller and more manageable.

How Does A Tuition Plan Work?

Let’s say you owe $500.00 dollars in tuition and Lake Charles Bible College offers a four month payment plan. Dividing the bill by the number of months you have to pay four monthly installments of $125.00 per month. If you can’t afford to pay that amount each month, please contact us and we will make further arrangements.
~Terms & Conditions~

About Accreditation

In the United States, accreditation is used to ensure the quality of educational institutions and programs. It should be noted that accreditation is a voluntary, non-governmental process of evaluation. The accreditation process requires an education program to meet certain defined standards of criteria from the accrediting body. These standards vary from state to state and from region to region. These standards change with each individual institution because of the freedom of choice which means that there are no two universities that have the exact same structure, philosophies, teaching modalities or evaluations. Further, we being non-traditional in nature, our programs are not designed to meet any particular requirements established by any private association or traditional licensing or accrediting organization.
